INNOVATIVE & COLLABORATIVE

Where innovation meets execution.

Building technology that moves businesses forward.

ABOUT OUR COMPANY

Akamco is a leading provider of IT, Security Systems, Power Solutions, and General Trading services across Iraq. We proudly serve a diverse portfolio of private and public sector clients, delivering integrated technology solutions that enhance performance, security, and operational efficiency.

Since our establishment in 2001, we have continuously expanded our presence throughout Iraq and into the Middle East. Our commitment is simple: provide best-in-class products, reliable services, and long-term value to every client we partner with.

We believe in building strong partnerships with our clients, vendors, and communities — working together to create a smarter, safer, and more connected future.

Our journey continues, driven by innovation, trust, and a passion for delivering successful outcomes.

BRINGING IDEAS AND INNOVATION
TO LIFE THROUGH TECHNOLOGY

VISION

To be a regional leader in digital excellence, shaping a future where technology seamlessly empowers individuals and organizations to achieve innovation, operational efficiency, and sustainable growth.

MISSION

- 01 To deliver innovative and reliable technology solutions that solve complex challenges and create measurable value.
- 02 To enhance operational efficiency and strengthen collaboration through smart, integrated systems.
- 03 To support long-term, sustainable growth for our clients by building secure, scalable, and future-ready solutions.

MAJOR FACTOR

RESPONSIBILITY

We operate with integrity, accountability, and commitment. We take full responsibility for delivering secure, reliable, and high-quality solutions while building long-term trust with our clients, partners, and community.

MULTIFUNCTIONAL

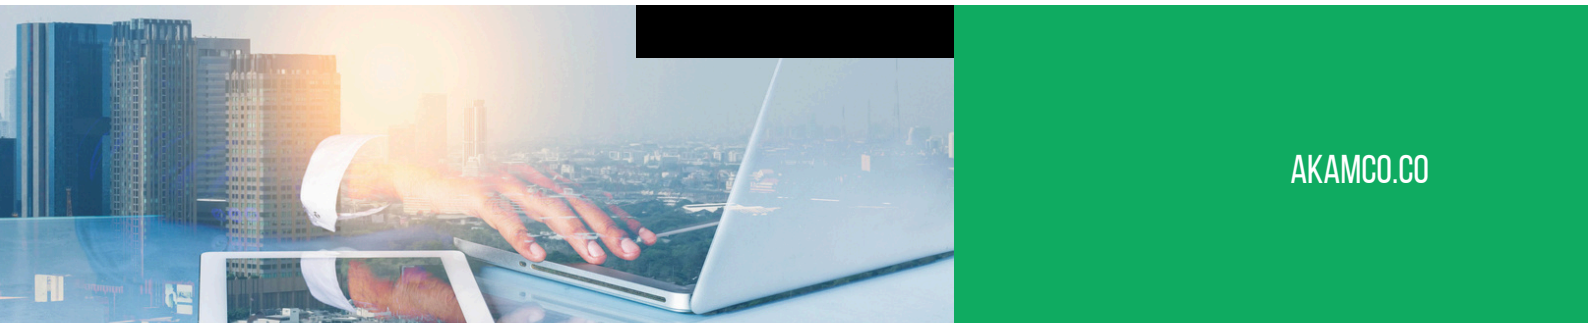

We provide integrated, end-to-end solutions that combine IT, security systems, power solutions, and advanced technologies.

TRANSFORMATIVE

We believe technology should drive meaningful change. Our solutions are designed to transform operations, enhance performance, and empower organizations to adapt, innovate, and lead in a rapidly evolving world.
